East Kent Hospitals University NHS Foundation Trust

Thinking of becoming a doctor?

Join us for a hands-on taster day at one of our hospitals.

Learn from doctors and medical students what training to become a doctor is really like.

We are keen to widen participation in all our work. Please see our statement at the bottom of this poster.

MedStart4U

MedStart4U Taster Days

When?

7th July 2026

William Harvey Hospital, Ashford

2nd July 2026

Queen Elizabeth the Queen Mother Hospital, Margate

What to expect

Interactive sessions on clinical skills models

Simulation scenarios

Talks & Q&A with medical students and training doctors

Getting into medical school workshop

Why?

Decide whether medicine is for you

Get help and advice on medical school application

Build skills and knowledge

Use this as experience on your UCAS form

What did previous participants say?

"I enjoyed talking with the medical students."

"The clinical skills models were interesting and fun!"

"It was so interesting having a go at suturing and taking blood using models."

"I found the sessions on applying to medical school really helpful. "

As part as part of our widening participation approach, we particularly welcome applications who are from non-selective schools however we will still be reviewing applications from all schools within Kent.
